## ADVICE

With the approach of the hot weather we are seeing an increase of ASB behaviour in relation to drugs and nuisance vehicles especially mopeds and motor bikes.

When reporting please try to obtain the vehicle reg and a description where possible, it will also help if a small log was kept with times etc for those that have been experiencing repeat problems.

As always motor vehicle theft is high so please consider having CCTV or dash cams where possible, keeping keys in faraday pouches and using steering wheel locks.
